Section I - Property Insurance

COVERAGE A - HULL INSURANCE

Covered Property

We will cover the **insured yacht** against sudden, direct accidental physical loss or damage and any loss caused by a **latent defect** in the **insured yacht**, except as otherwise excluded, while the covered property is afloat or ashore within the navigational limits specified on the Declarations Page or being transported on any land conveyance within the continental United States, Alaska, Hawaii or Canada. However, coverage while being transported on any contract or common carrier for hire applies only within a 300-mile radius from the home port or storage yard.

In the event of a covered loss, it shall be the responsibility of the **insured** to use all lawful and reasonable means to recover or protect the **insured yacht** from further loss. We will pay the reasonable cost of such protection in addition to any other payments for loss under Coverage A of this policy. The amount payable under this provision shall not exceed the amount of insurance applicable to Coverage A on the Declarations Page, nor reduce that limit.

Valuation

The **insured yacht** is valued at the amount shown as the limit of liability for Coverage A on the Declarations Page. This amount is the most we will pay for any loss or damage under this coverage.

Deductible

Each claim for loss or damage shall be adjusted separately and we will subtract the deductible amount as shown on the Declarations Page from the claim payment.

A. In the event of a **total loss** or **constructive total loss** of the **insured yacht**, the deductible as shown on the Declarations Page shall not apply.

B. A separate deductible of \$500 shall be applicable to electronic navigation devices that are a part of the **insured yacht** described on the Declarations Page. Marine electronics subject to this deductible are electronic devices designed for marine navigation, marine communication and fish finders. This separate deductible is not applicable when:

1. the covered loss is in conjunction with a covered loss to the **insured yacht** and the total amount of the covered loss, including the electronic devices, exceeds the deductible amount on the Declarations Page under Coverage A.
2. there is a **total loss** or **constructive total loss** of the **insured yacht**.

C. A separate deductible of \$250 shall be applicable to dinghies/tenders and their outboard motors that are not specifically described on the Declarations Page, and:

1. do not exceed 16 feet in overall length; and
2. do not exceed 35 horsepower; and
3. do not exceed \$3,000 in actual cash value combined for the dinghies/tender and outboard motor; and
4. is used solely for the purpose of transportation to and from the **insured yacht**.

Maritime Salvage

In the event of a salvage of the **insured yacht**, coverage for salvage charges is limited to the agreed value of the **insured yacht**. The hull deductible is waived for maritime salvage payments.

COVERAGE - B TRAILER

Covered Property

We will cover the trailer described on the Declarations Page against sudden, direct accidental physical loss or damage, except as otherwise excluded, provided that the trailer is designed and used exclusively for over highway transportation of the **insured yacht**.

Valuation

We will pay the lesser of the reasonable cost to repair or replace the trailer described on the Declarations Page less a deduction for depreciation. The most **we** will pay for all covered loss as a result of any one claim is the limit of liability for Coverage B.

Deductible

Each claim for loss or damage shall be adjusted separately and **we** will subtract the deductible amount as shown on the Declarations Page from the claim payment.

In the event of a covered loss to a trailer, **we** may, at our option, physically replace the **insured** trailer with like, kind, and quality.

COVERAGE C - PERSONAL EFFECTS

Covered Property

We will cover wearing apparel, sports equipment, fishing tackle and other personal property against sudden, direct accidental physical loss or damage, except as otherwise excluded, while on board or being carried on or off the **insured yacht**. This coverage does not apply during the vessel layup period that is stated on the Declarations Page. Coverage for personal effects under this section is primary over any other applicable insurance. **We** will not cover computer hardware or software.

Valuation

We will pay the lesser of the actual cost to repair or replace personal effects, less a deduction for depreciation. The most we will pay for all loss as a result of any one claim is the limit of liability for Coverage C.

Deductible

If the deductible amount on the Declarations Page applies, we will subtract that amount from the claim payment. This deductible will not apply if we pay for a total loss under Coverage A.

COVERAGE D - TOWING AND ASSISTANCE

We will pay the reasonable costs you incur, up to the limit of liability shown on the Declarations Page, for the following emergency services to the **insured yacht** while afloat and away from safe harbor or to the trailer if voluntary help is not available and you must obtain commercial assistance:

1. the cost of emergency labor performed at the site of disablement; or
2. towing of the **insured yacht** and or trailer to the nearest place where necessary repairs can be made; or
3. delivery of fuel, oil, parts, or battery, however, we do not pay for the cost of these items.

1. wear and tear, gradual deterioration, mechanical breakdown, rust, corrosion, electrolytic or galvanic action, chipping, marring, scratching, denting, weathering, mold, mildew, wet or dry rot or dampness of the atmosphere, regardless of its sources, cause or causes. 3. obtain repair specifications, bids and estimates from alternative sources if requested by **us**;
4. produce and permit **us** to copy any and all records **we** request to verify coverage, the claim, its amount, and **your** interest in the property;

If **you** fail to comply with any of these duties, there will be no coverage under this policy.

In the event of a covered loss to the **insured yacht**, **we** may at our option, physically replace the **insured yacht** with like kind and quality.

2. Unrepaired Damage

If the **insured yacht** was damaged before the covered loss, **we** will not pay to repair any prior damage.

When **we** make a payment for a **total loss** or **constructive total loss** of the **insured yacht**, **we** will not pay for any previously unrepaired damage.

3. Repairs

If there is a covered loss requiring repainting of part of the **insured yacht**, **we** will pay the cost of repainting or resurfacing the damaged area in accordance with customary marine repair practices so that the area repaired will match, as closely as practical, the original color.

If there is a covered loss to plywood, metal, rubber, plastic, or fiberglass portions of the **insured yacht**, **we** have the option of paying:

- a) the cost of repairing in accordance with customary marine repair practices; or
- b) the cost of making repairs according to the recommended specification of the manufacturer of the **insured yacht** or tender.

If damage to the **insured yacht** or other covered property is not repaired or replaced by **you**, **we** will pay no more than the actual cash value of the damaged parts; but in no case shall payment exceed the cost to repair or replace with material of like kind and quality.

4. Salvage

If **we** have made payment under this policy for loss or damage and if there is salvage value, **we** have the right to recover that salvage value to the extent of our payment.

5. Abandonment

If **we** take any steps to protect damaged property, this does not mean **we** are accepting an abandonment of the property. If **you** take steps to protect damaged property, this does not mean **you** are waiving any rights **you** may have to abandon the property.

6. Payment

We will pay any loss covered under this policy to the **named insured** and any loss payee, as shown on the Declarations Page, within 30 days after:

- a) reaching an agreement with **you**; and,

The loss payee's rights are no greater than those of the **named insured** under this contract.

7. Arbitration

If **you** make a claim under this policy and **we** disagree about the amount of **your** loss or damage, the disagreement must be resolved by binding arbitration according to the following procedure:

- a) **You** and **we** will agree on a single arbitrator to decide the dispute, whose fee will be paid 50% by **you** and 50% by **us**;
- b) If **you** and **we** are unable to agree on a single arbitrator, **you** and **we** will each appoint an arbitrator and those two arbitrators will appoint a third arbitrator. The three arbitrators will decide the dispute by a majority vote. **You** will pay the fee of the arbitrator that **you** appoint. **We** will pay the fee of the arbitrator that **we** appoint. **You** and **we** will each pay 50% of the fee charged by the third arbitrator.
- c) The arbitration will be conducted pursuant to the Commercial Arbitration Rules for the American Arbitration Association and in accordance with the general maritime law of the United States. **You** and **we** will each pay 50% of the fee charged by American Arbitration Association.
- d) The request for arbitration must be filed within one year of the date of loss or damage.
- e) **We** may arbitrate the amount of **your** loss or damage without waiving **our** right to determine coverage or a lack of coverage for the loss.

8. Guaranteed Repair

If the repairs to the **insured yacht** for any covered loss are performed in accordance with a repair method of which **we** approve and by a repair facility that **you** and **we** select, **we** will pay for any additional repairs due to faulty workmanship or damage by that repair facility that is discovered later and is part of the covered loss arising from the accident for which the repairs were required. This guarantee will remain in effect as long as **you** own the **insured yacht** and **you** continuously maintain the insurance coverage with **us**. **We** reserve the right to select the repair facility to perform any additional repairs and **we** will not apply a deductible to these additional repairs.

9. Premium Earned

If **we** pay for a **total loss** or **constructive total loss** of the **insured yacht**, the annual premium for the entire policy is fully earned.

2. **property damage**; or
3. **pollution**.

We will pay the cost to remove or dispose of the wreck of the **insured yacht** or any reasonable attempt to do so, if such removal is required by law.

We have the right and duty to defend the **insured** against any lawsuit seeking damages for which coverage applies. **Our** right and duty to defend ends when **we** have used up the applicable limit of insurance in the payment of judgments or settlements under Coverage E. **We** will have no duty to defend the **insured** against any lawsuit seeking those damages resulting from **bodily injury**, **property damage**, or **pollution** to which this insurance does not apply.

Limit of Liability

The most **we** will pay under Coverage E for any one **occurrence** is the limit of liability shown for Coverage E on the Declarations Page or the limit of the **named insured's** liability, whichever is less. **Our** payment will not be greater than this limit regardless of the number of **insured's**, claims made, or persons injured.

Payment under this coverage is not an admission of liability by any **insured** or by **us**.

COVERAGE G - UNINSURED WATERCRAFT

We will pay damages that an **insured** is legally entitled to recover from the owner or operator of an **uninsured watercraft** or underinsured watercraft because of **bodily injury** sustained by an **insured** and caused by an **occurrence** while aboard the **insured yacht**. We will subtract the amount of damages paid by or on behalf of anyone responsible for the **insured's** injury from the amount otherwise payable under this coverage.

COVERAGE H - LONGSHORE AND HARBOR WORKERS' COMPENSATION

We will pay damages for which the **insured** becomes legally obligated under the Longshore and Harbor Workers' Compensation Act for **bodily injury** arising out of the ownership, maintenance, or use of the **insured yacht**. **We** will conform to all provisions of this act, being Public Act No. 803 of the 69th Congress, approved March, 1927; all laws which amend or supplement this act; and all lawful rules, regulations, orders and decisions of the U.S. Department of Labor, Bureau of Employee's Compensation, and Deputy Commissioner having jurisdiction, which affect this act while this policy is in force. **We** will carry out the provisions of Section 35 of this act; **we** will not be relieved of liability due to the insolvency or bankruptcy of the **named insured**.

The choice of defense counsel shall remain **our** exclusive right. **We** will pay any interest that accrues only after judgment in such lawsuit. **We** will also pay the court costs that an **insured** must pay. **Our** obligation to pay this interest and these costs ends when **we** pay, or deposit in court that portion of the judgment which does not exceed **our** limit of liability under Coverage E on the Declarations Page.

Bonds

If the **insured yacht** is arrested, confiscated, or detained because of an **occurrence** covered under Section II of this policy, **we** will pay the cost of bond to release the **insured yacht**, but only that portion of the bond not greater than **our** limit of liability under Coverage E on the Declarations Page.
